Dear [REDACTED]

This letter is to confirm the Department of Justice's interest in interviewing you with respect to an investigation by the Department regarding retail shelf space arranging and marketing for salty snack food products in the grocery industry. Specifically, we are interested in speaking with you about [REDACTED] experiences in these aspects of the industry. As I stated during our telephone discussion of April 26, 1996, the interview would be confidential and last an hour to one and a half hours.

Please telephone me at your earliest convenience at (202) 307-6386 to further discuss the possibility of setting up a time for a telephone interview during the week of May 6th, or to discuss any other questions or concerns. Thank you for your cooperation in this matter.

Sincerely yours,
